INSPIRED FAMED AMERICAN COMIC ARTIST
JIM LEE TO DRAW THE COVER TO THIS
VOLUME OF JAPANESE MANGAT

VOLUME OF JAPANESE MANGAT

Nothtom's popular EachMan menge, the story of a mercenery with a logic defying super power And Alariso Yoshitom has long been a fan of Jim Lee's besselling come: Gan-JiJ, the story of a group of beenages with annaina.

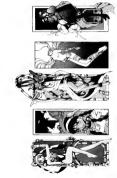

elemental powers

As a turns out, the company that publishes Eachdan in Japan and the company that translets and publishes Gen-13 in Japan is one and the same, Mediaworks!

So the two artists, each femous in their own land, paid a unique tribute to each other's work. Lee drew a picture of **Eat-Man** that was published in the safe volume of the Japanese **Eat-Man** graphic

a picture of materials that was published in the sight volume of the Japanere Eerkan graphic novel series. And libshiform drew a picture of Gen-13 published in Gen-13s letters page.
